CONGRATS

Congratulations on your engagement! We are thrilled and thankful for your consideration to be a part of your big day. We know that selecting your venue is one of the biggest decisions you can make and we would be honored to be the place where you say, "I do."

The Curtis Hotel is home to Denver's most unique Ballroom. It can hold a stunning reception of up to 220 people with our dance floor for all your guests to boogie on down. The adjacent outdoor terrace is perfect for the ceremony itself or extra space for guests to mix and mingle! With the Four Square Ballroom you also get access to the pre-function corridor to host your cocktail reception.

With our fabulous on-site chefs, you can choose one from our exquisitely designed menus or you can create your own dream menu. With the help of one of our inspired on site coordinators, we can help create the food and beverage experience that you've always dreamed of.

For guests that are traveling from afar to celebrate or who may just want to enjoy downtown Denver's most iconic hotel, they can easily book their rooms with a personalized Hilton website link with a discounted room block. Since we're located in the heart of downtown Denver, your guests will have front door access to Colorado's award-winning museums, restaurants, and gorgeous historic landmarks.

Our space can be transformed to highlight your personal style and dream wedding colors with your choice of LED cove lighting and five in-house linen options. We also provide in-house tables, chairs, china, glass, silverware & dance floor, leaving you with more free time to plan other details of your wedding day!

Please don't hesitate to give us a call or email when questions come up.

Until then – Stay Happy!

THE SPECIAL EFFECTS

Sometimes, it's the little things that can leave lasting impressions on your guests. Other times, it's the WOW factors that truly make your event memorable. Think big, as in custom lighting options, fully-integrated microphone systems, large-than-life LCD/ screen combos for slide shows and video displays, chair covers to pull your color scheme together, and much more. Between our dedicated on-site wedding coordinator and our in-house Audio-Visual services, the Curtis ensures an impressively stunning affair from top to bottom.

PSAV is our in house audio visual partner that specializes in lighting that can set the tone and highlight your accent colors. Add a splash of color to the walls for an easy decor option to customize the look of your reception. Have a monogram? Lets display it on a wall or the dance floor for a special and unique effect.

AFTER THE BIG DAY, SPEND SOME LAST MINUTE QUALITY TIME WITH YOUR FAMILY, CLOSE FRIENDS, AND OUT-OF-TOWN GUESTS BEFORE YOU KICK OFF YOUR NEW LIFE TOGETHER. ALLOW THE CORNER OFFICE TO BE YOUR GATHERING SPOT!
